To undertake Confirmation preparation with my child

We understand and we accept that *“to live our Christian faith means to be part of the body of Christ risen, and this is the essential condition of Christian life itself.”* This means to be part of a Christian Community (a Parish).

We, the parents of _____, understand and accept that participation at Mass on Sunday is basic to Christian life and for the preparation of our child for Confirmation. For this reason, we will try to participate regularly in the life of our parish, giving our child our living testimony. We also know that he/she needs to participate in every Sunday Mass if he/she is to receive confirmation of his/her faith.

- We will support our child in fulfilling a minimum of 20 service hours with the parish, as part of his/her preparation for the Sacrament of Confirmation.
- We will attend the Parent/God Parent Meetings with Father Gilbert as part of our preparation to support our child.
- We understand and accept that the priest and the team of catechists have the discernment to judge and decide upon the readiness of our child to receive this sacrament.

With the grace and help from our Lord Jesus Christ, we want to set about this journey with our child in this parish
